SUMMARY

B.Tech graduate in Artificial Intelligence and Machine Learning (VIPS-TC, 2026) with hands-on experience in Python, machine learning, NLP, and full-stack web applications. Proven ability to build and deploy end-to-end AI systems. Passionate about applying data-driven problem-solving to real-world challenges and eager to contribute to innovative software and AI/ML teams.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL, C++ (Basics), MATLAB

AI/ML: TensorFlow, PyTorch, Keras, Scikit-learn

Data Analysis: NumPy, Pandas, Matplotlib, Data Visualization

Web & Tools: HTML, CSS, JavaScript, GitHub, VS Code, Jupyter Notebook

PROJECTS

Book Recommender System

2024

Machine Learning & Web Application

Python, Scikit-learn, Flask

Built a web app displaying Top 50 popular books using content-based filtering with cosine similarity

Built and integrated a Flask-based web application displaying Top 50 popular books with an interactive HTML/CSS frontend

YouTube Video Summarizer

2025

NLP / Generative AI Project

Python, LangChain, Groq API

Developed an AI-powered application to generate concise summaries from YouTube video transcripts using LLMs

Integrated LangChain with Groq API and implemented backend logic, prompt engineering, and testing workflows

4VCare – Car Service App (Play Store)

2026

Technical Contributor

UI Support, Testing

Contributed to a production-grade car service app on Google Play Store; improved frontend UI layout and components

Performed testing and validation of booking-related features to improve functionality and reliability

Personal Portfolio Website

2026

Live Portfolio – yuvrajsinghshekhawat.netlify.app

HTML, CSS, JS

Designed and developed a personal portfolio website to showcase projects and skills

EXPERIENCE

Quality Intern

Jul 2025 – Aug 2025

Quality Polymer Manufacturing Unit

India

Learned end-to-end polymer granules manufacturing and production processes

Gained exposure to quality assurance practices and documentation

Designed a basic company website using HTML, CSS and JavaScript

EDUCATION

Vivekananda Institute of Professional Studies (VIPS-TC)

2022 – 2026

B.Tech in Artificial Intelligence and Machine Learning – CGPA: 7.7/10

New Delhi

Tulips International School (CBSE)

2022

Senior Secondary (Class XII) – 74%

New Delhi

Tulips International School (CBSE)

2020

Secondary (Class X) – 70%

New Delhi
